AUSTINS OVER AUSTRALIA 2021

PORT STEPHENS

Tuesday 24th to Sunday 29th August

Newsletter No. 2
November 2020

Hi Everyone

Hope this finds you all well.

We have not given up on holding Austin's Over Australia next year.

However, owing to the shadow of COVID-19, it is impossible to predict whether we will be able to have the event at all, and whether people will be able to safely attend from different states.

With this in mind, we are watching developments. Our intention is to call it in January 2021. By that I mean we will say whether AOA is on, or cancelled by the end of January, next year.

This will allow enough time to organize accommodation, events and get-togethers that all contribute to a successful Austin's over Australia.

We also recognize that a large proportion of our participants fall into the high-risk category, which informs our caution. Although things look promising at this moment, we all know that the situation, including outbreaks and lockdowns, can escalate rapidly.

In the meantime, check your oil and water, fill out your logbook, follow the health directives, and take your Austin for a drive!
